**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition in the marketplace drives innovation and keeps all companies in the market honest. My wife and I live in a Richmond, CA which only has one option for broadband and one option for DSL. Both options are expensive and provide terrible service. We wish we had more options for services in our area. Please do the right thing and keep competition.
